

Simply Site Supplies is proud to be a distributor of high-quality residential and commercial bins, specifically crafted to meet the diverse needs of house builders across the UK. Our extensive range ensures that every project, whether large or small, has access to durable and efficient waste management solutions that contribute to a tidy and sustainable environment.

Residential wheelie bins

- High-quality 2-wheeled wheelie bins
- Crafted from high-density polyethylene (HDPE)
- Fully recyclable at end-of-life, supporting a greener future
- Robust lids ensure waste is contained, to help to deter pests

In addition to standard bins, we also offer specialized solutions such as dog waste bins and cigarette bins. These additional products are designed to provide practical waste disposal options, ensuring public spaces remain clean and hygienic.

We understand the importance of waste management in both residential and commercial settings. By supplying bins that cater to specific needs, we help house developers create functional and attractive environments, promoting responsible waste disposal in the process.

Commercial wheelie bins

- High-quality 4-wheeled wheelie bins
- Available in a range of sizes
- Easy-to-use lids to prevent spillage and reduce the risk of vermin intrusion
- All bins meet UK waste management regulations
